

2025-2026 Opt-in for Transportation opens April 1st, 2025

Once again, parents/guardians must opt-in to confirm their children's intent to ride the school bus if they are eligible for transportation. You can check address eligibility using the [Can I Ride a Bus?](#) tool on the [Parent Portal](#) page through STSCO's website www.stsco.ca.

If you have not already done so, please click [HERE](#) to create a parent portal account using the email address the school has on file for the parent/guardian. Once the account is created, you can log in to view the information that STSCO has on file for your child(ren).

** If a student is missing from your parent portal account, it is likely because,

1. The email address used to create the account is not the same email address that is on file at the school. Please speak to the students' school(s) to resolve this. If the email address is corrected at the school level, wait 72 hours before logging back into your parent portal account to see all your children.
2. They are newly registered, such as Junior Kindergarten students, and the Parent Portal is switched to 'Next Year 2025-2026' using the School Year drop down menu on the lower portion of the webpage starting April 1st.

On or after April 1st, when you log into your parent portal account, opt-in forms for 2025-2026 can be found using the link *Online Forms and Requests* under the 'My Students' heading or using the *icon* at the bottom of the page.
